Non-Pony Club teams will park and set up in a separate area from the Pony Club competitors and may not enter the Pony Club trailer area during the Rally (per HM rules).

We should be able to accommodate scramble riders (both Pony Club and non-Pony Club scramble riders).

There are limited bits allowed in mounted games and specific tack rules. Please check the 2025 Games Rulebook. There will be no exceptions for Tack.

Team Formation

We will be hoping to run all divisions with teams. Teams can have varying ages and ratings. If we do not have enough entries, the organizer will run divisions in PAIRS.

Teams will consist of 4 or 5 riding team members. Teams with 5 riding team members can designate one member as a stable manager. Teams with 4 riding team members may have an unmounted stable manager, who may bring a mount that may be used as a substitute mount. The Stable Manager wears the #5 pinnie. One member of the team will be designated as team captain and act as spokesperson. Team Captain wears the #1 Pinnie.

Teams for this rally should be built based on SKILL, not age or rating. Various ratings and ages can be combined onto the same team at this rally. Note that this does not apply to teams competing at the 2026 USPC Championship. Riders can qualify for Champs at this rally on a mixed team, but will not be able to compete at Champs on a mixed team. See the Games Rulebook for the rules for teams at Championships.

Divisions

Divisions at this rally will be based on SKILL - Novice, Intermediate, and Open. All divisions allow ALL ages and ALL ratings. We might combine divisions to allow multiple teams to compete at the same time to improve the Games experience.

Novice Division will NOT ride with other divisions.

USPC and non-USPC teams will be in separate divisions, unless we do not have enough teams.

For those qualifying for Championships, review the Division Levels in the 2025 Games Rulebook.

NOVICE (WALK-TROT) DIVISION:

For riders who are new to games or need extra help with several skills. Adults are welcome in this division.

Riders will receive the help they need to have a safe and fun experience (leadline around the equipment, help mounting/mounting block, help reaching equipment, etc.)

Cantering in this division must be under control and is only allowed *between* skills.

This is NOT a qualifying division.

INTERMEDIATE DIVISION:

For riders who can perform most skills but are still developing accuracy. Mounting block allowed in this division. This Division suits walk-trot riders with confidence.

This is a qualifying division.

OPEN DIVISION:

For riders who can perform the games at speed with accuracy. No mounting block in this division. Please note that many riders who compete Intermediate or O25 in IMGA, MGAA, and USMGA have the skills to compete Open at this rally.

This is a qualifying division.

Chaperones

Each Team, including non-USPC riders, must have an assigned Chaperone if *any* member of the Team/Pair is under 18 years old.

The chaperone is the team contact in case of an emergency and must be on the rally grounds at all times. The chaperone can serve as a volunteer for the competition in addition to their chaperone duties, but cannot assume coaching duties.

Chaperones must complete the Chaperone Form (from the Games Rulebook – form is attached). This form must be submitted to the rally organizer prior to the start of the rally.

Competitors above the age of 18 must submit an Emergency Contact Form with their rally entry (from the Games Rulebook – form is attached). The Emergency Contact listed on this form is not required to be on the grounds of the competition. They should be accessible via phone.

Coaches

Coaches are recommended but not required. Coaches must be 18 years of age or above, except in the case of a 16- or 17-year-old with an H-A certificate. Coaches may not compete in the rally.

Teams may share a coach.

The organizer will provide coaches to Novice teams if requested.

Teams do not have to have their own coach present while mounted. A team in the warm-up or holding areas, whose coach is not present, may approach another coach and ask for help.

Coaches will not be assigned any other volunteer duties.

Except for during Novice play, Coaches are not allowed in the ring. Coaches may stand along the fence in the Holding Area. Coaches may only communicate with their teams **BETWEEN GAMES**.

Coaches must complete the Guideline for Coaching at USPC Games Rallies (from the Games Rulebook – form is attached). This form must be submitted to the rally organizer prior to the start of the rally.

As always, team members **MAY** (and **SHOULD**) provide coaching to their own teammates during games play.

Weights and Measures

Mount/Rider weight requirements are in the 2025 Games Rally Rulebook.

The rider weight will be not more than 20% of the mount's approximate weight.

Non-Pony Club riders will only perform weights and measures if the TD or Chief Games Judge determines the rider might be too heavy to ride the pony.

Calculation:

W = Approximate mount weight in pounds

H = Mount heartgirth measurement in inches

L = Mount length in inches

M = Maximum rider weight in lbs

$$\frac{(H^2 \times L)}{330} = W$$

$$W \times 20\% = M$$

Sharing Ponies

Ponies **MAY** be shared between two riders **ONLY** if one rider is in the Novice division.

List of Races (not in order of play)

All games will follow Pony Club Rules (this may be different from IMGA rules, please check the 2025 USPC rulebook). Open and Intermediate Divisions will play two sessions with 12

games in the first session and 10 games in the second. Novice will play two sessions with 10 games in the first session and 8 games in the second session OR as many games on the list as possible in 1 hour.
